

LONOKE EMERGENCY POWER RESTORATION

PROJECT TYPE

Emergency Restoration

SCOPE

Performed emergency power restoration services near Lonoke, Arkansas subsequent to a significant storm.

LOCATION

Lonoke, Arkansas

CLIENT

Entergy Corporation

START DATE

May 2011

COMPLETION DATE

May 2011

In late May 2011, Arkansas experienced extreme precipitation conditions in addition to high winds and dozens of tornadoes. This resulted in damage to property and infrastructure including transmission and distribution lines in and around Lonoke.

Entergy Arkansas, a power provider with over 700,000 customers in 63 Arkansas counties (an Entergy Corporation subsidiary), rapidly mobilized the emergency restoration call-out services of Irby to rehabilitate the lines. Irby quickly and safely returned power to the impacted areas by months end.
