

# NEBRASKA PUBLIC POWER DISTRICT EMERGENCY POWER RESTORATION

## PROJECT TYPE

Emergency Restoration

## SCOPE

Performed emergency power restoration services in Northcentral Nebraska in the aftermath of a significant storm.

## LOCATION

Northcentral, Nebraska

## START DATE

May 2007

## COMPLETION DATE

May 2007

In early May 2007 major tornado outbreaks significantly impacted portions of the Central United States. The storm cells created an estimated \$268 million in damage to community infrastructure. Irby mobilized its crews to provide emergency power restoration services to the Nebraska Public Power District enabling a full return to previous power levels by months end.
